The best words to describe this beautiful villa are individually designed; elegantly furnished and peacefully positioned: this is a dream location for a totally lovely villa in a very upmarket and exclusive area close to Paphos airport - and the views are incredible! Standing at the front of the villa, you can see from the mountains running across the Paphos region, across the fields and valleys to the coastline. This four-bedroomed villa is placed on the edge of this new development and enjoys one of the best positions on the site. Anita's place reflects its surroundings by offering very carefully chosen furnishings, to match the high quality finish of the whole villa. Spacious, light and very comfortable, we'd choose this villa for a holiday –and the golf course in just minutes drive away!

Pissouri village and jetty, Aphrodite's Rock and beach, and the traditional villages of Kouklia and Mandria offer a welcoming taste of traditional Cyprus, minutes by road from the peace of this delightful villa. Paphos town centre is 15 minutes by road.
